EXPERIENCE

California Sea Grant, La Jolla, California

Director of Extension, September 2016-present

- Directs statewide extension activities that address critical marine and coastal issues in California.
- Directs extension program operations and manages interdisciplinary team of extension specialists and staff that provides integrated research and outreach to help California balance diverse coastal and marine interests and adapt to changing conditions and needs.
- Identifies emerging needs of California's coastal communities in order to guide the future direction and work of the extension program.
- Leads program development efforts, which includes expanding revenue streams.
- Builds partnerships across institutions and sectors to expand the capacity of California Sea Grant and the reach of the extension program's activities.

North Carolina Sea Grant and North Carolina Coastal Resources Law Planning, and Policy Center, Raleigh, North Carolina

Coastal Law, Policy, and Community Development Specialist (NCSG) and Co-Director (Center), May 2007-August 2016

- Developed legal and policy analysis and outreach projects that focused on coastal resource issues at the local, state, and Southeastern U.S. regional levels.
- Led legal and interdisciplinary projects at the Principal and Co-Principal Investigator levels, which involved grant administration, directing research and analysis, coordinating research teams, and disseminating information to project audiences.
- Provided training to attorneys, scientists, and planners through continuing legal education programs, conferences, and symposia.
- Provided analysis of the latest case law and legislation relevant to coastal resources and management to the public via biannual newsletter *Legal Tides*, reaching an audience of 1,500 people.
- Developed and managed three fellowship programs designed to provide training at the intersection of science, law, and policy to law students and graduate students in the sciences.
- Assisted coastal communities with integrating legal and policy information into their decision-making processes on issues ranging from natural hazards to aging infrastructure, water availability, and shoreline access.

University of North Carolina School of Law, Chapel Hill, North Carolina

Adjunct Professor of Law, 2013-August 2016

- Taught course on environmental ocean and coastal law.

The Coastal Society, Williamsburg, Virginia

President, 2011-2012, 2014

- Presided over Board of Directors.
- Supervised executive director and contractors.
- Managed annual budget and contracts.
- Developed partnerships with other ocean and coastal-focused organization to facilitate open

debate and discussion on key issues at conferences, symposia, webinars, briefings, and other events.

- Lead efforts to develop new organizational mission and business model.

East Carolina University, Greenville, North Carolina

Adjunct Professor, 2011-2013

- Developed and taught graduate-level course on maritime law, policy, and governance.
- Served on committees for PhD candidates in the Coastal Resources Management Program.

Louisiana Sea Grant Law and Policy Program, Baton Rouge, Louisiana

Legal Coordinator, September 2002-April 2007

- Performed legal research and outreach on coastal, land use, natural resource, and property issues and provided information to coastal Louisiana's local governments and commercial and recreational fishing and boating groups.
- Conducted legal research and writing that were published as outreach materials and in the grey literature.
- Served as Editor of *Louisiana Coastal Law* newsletter, a biannual publication with 1,000 subscribers, as well as quarterly updates provided to subscribers via email. !
- Served as liaison between state agencies and industry groups.
- Managed Law and Policy Program office and hired and supervised staff of law clerks, who provided the Legal Coordinator and Law and Policy Program Director with research assistance.

EDUCATION

University of Florida Frederic G. Levin College of Law, Gainesville, Florida

Juris Doctorate and Certificate in Environmental and Land Use Law

University of South Florida, Tampa, Florida

Bachelor of Arts in Political Science
