Appointments

- Head of the Department of Research and Information Systems, Sub Regional fisheries Commission, West Africa august 2009- Current
- Associate Professor, Department of Economics and Finance, Southern University, August 2007-August 2009
- Assistant Professor, Louisiana Sea Grant College Program, Louisiana State University, June 2005 – July 2007
- Assistant Professor Research, Coastal Fisheries Institute, Louisiana State University, August 2001 – May 2005
- Research Associate, Coastal Fisheries Institute, Louisiana State University, June 1999 - July 2001

As a head of the SRFC Department of Research and Information System, I have secured funding for many initiatives in the last three years that dealt with various aspects of fisheries management and coordination. I have also created synergies among various projects that brought coherence in the Commission intervention and contributed to the mandate of harmonizing policies at the regional level.
